7th November 2025

Dear Parent/Guardian,

Red Hill Consolidated School is looking forward to another great year of teaching and learning and would like to advise you of Red Hill Consolidated School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- *Maintain classroom libraries in each of our learning spaces, allowing all students to access engaging, high quality literature.*
- *Continue to build a wide selection of home reading materials, including levelled readers, lexile books and library books.*
- *Maintain our school swimming pool and run a comprehensive Prep-6 swimming program onsite. This includes replacement of filters, heaters and regular cleaning, heating and servicing of our school pool.*
- *Ongoing refurbishment of learning spaces.*
- *Maintaining and improving our spacious school grounds.*
- *Provision and maintenance of ICT equipment.*

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Angus Wettenhall
Principal
Red Hill Consolidated School

President
Red Hill Consolidated School Council
