

All students will require a set of headphones for their learning at Red Hill Consolidated School.

If your child already owns a pair that are still in good working order, you may choose to use them or purchase a new set through the school via the 'Essential Items' option in the payment summary.

It is vital that the brand purchased is
Moki Headphones

There are a number of reasons for this:

- > They are much harder than other headphones of a similar price.
- > The Department guidelines recommend headphones rather than ear buds.
- > The Moki headphones' jack fits with RHCS student laptops (not all jacks do).
- > They deliver a wide sound stage, while keeping high-end clarity.
- > The circum-aural ear pads help shield the user from exterior noise.
- > The single-sided cable helps lessen tangles.
