

RED HILL CONSOLIDATED SCHOOL

Mobile Phone Policy

PURPOSE

To explain to our school community the Department's and Red Hill Consolidated School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Red Hill Consolidated School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. Other personal mobile devices include any device capable of sending and receiving text messages and/or accessing the Internet, including iPads, iPods, android tablets and smart watches.

POLICY

Red Hill Consolidated School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Red Hill Consolidated School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.
- Students with watches capable of sending and receiving sms messages should be set to school mode or similar, disabling this function.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Red Hill Consolidated School during school hours, including lunchtime and recess, unless an exception has been granted. Bus travellers must keep mobile phones in their bags whilst travelling on the school bus, unless it is an emergency.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Red Hill Consolidated School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Red Hill Consolidated School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Red Hill Consolidated School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Red Hill Consolidated School students are required to store their phones in secure storage situated in their year level coordinators classroom. Mobile phones must be clearly labelled and must be signed in and out daily.
